## **PLEASE NOTE**

In the event of a tie on overall points, the Championship winner will be decided by RSGA Rule A43:  
All Jumps Championships: In the event of a tie for the position of Championship winner, the Championship will be awarded to the athlete with the most individual first places in that competition. If that still leaves a tie, the total distances/heights will be used to determine the winner.  
In the event that the result is still tied, no other method can be used to break the tie, and a tie is declared.
